

Your future in healthcare

Certified Nurse Assistants and Home Health Aides are in high demand. A CNA/HHA position serves as a great first step for those interested in pursuing careers in healthcare and public service and for those starting their educational journey in nursing, emergency response, medical assisting, and dental fields.

Visit our website for more information.

Our Certified Nurse Assistant and Home Health Aid (CNA/HHA) program is California Department of Public Health approved. Curriculum aligns with guidelines for Nurse Assistant Training Programs (NATPs).

- Complete your training in 12 weeks or less
- Get experience with direct patient care and on-site clinical training
- Become eligible to take the state nurse assistant and home health aide exam
- Receive dual certification as a CNA and HHA
- Learn from nurse educators and active nurse assistants and home health aides
- In and out of classroom assistance to support your success

Additional financial resources and program support are available! *

**Additional support for fees, materials, textbooks, and certification made possible thanks to the generous contributions of the Louis and Ro Bershad and their commitment to recruiting and training a future generation of skilled nurses and healthcare providers.*
